CLEANSING NOTICE

Issued under section 708(12C)(e) of the *Corporations Act 2001 (Cth)* (as inserted by ASIC Corporations (Sale Offers: Securities Issued On Conversion of Convertible Notes) Instrument 2017/82)

1. INTRODUCTION

This Cleansing Notice has been prepared by Freehill Mining Limited (ACN 091 608 025) (**Company**) for the purposes of section 708A(12C)(e) of the *Corporations Act 2001 (Cth)* (**Corporations Act**) (as inserted by **ASIC Corporations (Sale Offers: Securities Issued On Conversion of Convertible Notes) Instrument 2017/82**). Issuing this Cleansing Notice enables the fully paid ordinary shares in the capital of the Company (**Shares**) issued on the conversion of the convertible notes issued by the Company on the terms described below to be on-sold to retail investors without further disclosure.

This Cleansing Notice is important and should be read in its entirety.

2. BACKGROUND AND CONTENTS OF CLEANSING NOTICE

2.1 Yaniv Convertible Notes

The Company refers to a previous cleansing notice released to ASX on 19 December 2017, which provided detail on the agreement entered into by the Company with Yaniv Equity LP (**Yaniv Equity**) to raise a total of up to \$US2 million by the offer (**Yaniv Offer**) of a total of 2,225,000 convertible notes (**Yaniv Convertible Notes**). Yaniv Equity is a sophisticated investor for the purposes of section 708 of the Corporations Act. Under the Yaniv Offer, the Company issued 849,375 Yaniv Convertible Notes as a first tranche on draw down of US\$755,000, which issue was ratified by Shareholders of the Company at a General Meeting on 16 February 2018. The Company has since determined not to proceed with the drawdown of the balance of the funds available under the agreement with Yaniv, and therefore not to issue the second tranche of Yaniv Convertible Notes. As at the date of this Cleansing Notice, the Company has issued a total of 10,825,879 shares to Yaniv on conversion of Yaniv Convertible Notes (including interest).

At the Company's Annual General Meeting of shareholders held on 30 November 2018, approval was obtained for the alteration of the terms of the remaining 480,875 Yaniv Convertible Notes, to extend the term of the Yaniv Convertible Notes from 19 December 2018 to 19 June 2019. The alteration of the terms of the Yaniv Convertible Notes necessitates the issue of new convertible notes on the terms approved by the Company's shareholders, which notes were issued on 21 December 2018, and the

terms of which are set out in a convertible securities agreement (**Yaniv Agreement**) executed by the Company and Yaniv Equity, and are summarised in Annexure A.

The Yaniv Convertible Notes are for the principal or nominal amount US\$1.00 per note which has been paid for in full by Yaniv Equity and have a maturity date of 19 June 2019 (**Yaniv Maturity Date**). The Company must pay interest on the amount outstanding in respect of funds advanced by Yaniv Equity in respect of the Yaniv Convertible Notes at a rate of 12.5% per annum, which interest will:

- (a) until the Yaniv Maturity Date, be fixed at 12.5% of the aggregate face value of those Yaniv Convertible Notes, which will accrue and be capitalised on the payment of the funds advanced; and
- (b) on and after the Yaniv Maturity Date, accrue daily and shall be capitalised and compounded monthly, from the Yaniv Maturity Date until the Company discharges the amount outstanding in full.

2.2 Replacement Series 1 Convertible Notes

As detailed in the 19 December 2017 cleansing notice, and as ratified at the General Meeting on 16 February 2018, the Company has also issued 578 convertible notes to investors who are sophisticated, experienced or professional investors for the purposes of section 708 of the Corporations Act, in respect of AU\$1,445,000 in funding received (**Series 1 Convertible Notes**). At its Annual General Meeting on 30 November 2018, the Company obtained shareholder approval to issue the holders of the Series 1 Convertible Notes with new convertible notes to replace the current notes on issue, on different terms from the terms of the original Series 1 Convertible Notes (**Replacement Series 1 Convertible Notes**). 498 Replacement Series 1 Convertible Notes were issued on 21 December 2018.

The terms of the Replacement Series 1 Convertible Notes are set out in various convertible note subscription agreements (**Replacement Series 1 Agreements**) executed by the Company and subscribing noteholders (**Noteholders**), and are summarised in Annexure B.

The Replacement Series 1 Convertible Notes are for the principal of \$2,500 per note. The Replacement Series 1 Convertible Notes bear interest at the rate of 12% per annum, payable half-yearly in arrears, and mature on 19 December 2019. Unpaid interest will be capitalised, and may be paid in cash or shares in the Company.

2.3 The rationale for the convertible note raising and the changes to the terms of the Yaniv Convertible Notes and the Series 1 Convertible Notes

By the issue of the Yaniv Convertible Notes and the previous Series 1 Convertible Notes the Company raised funds which were allocated to the following:

- (a) to make improvements in its crushing capacity;
- (b) to undertake drilling programs; and
- (c) to provide for its general working capital purpose.

The Company negotiated the alteration of the terms of the Convertible Notes and the resulting issue of new Notes, in order to extend the liability associated with the notes, and to defer the respective dates by which Yaniv Equity and the Noteholders must be repaid.

This Cleansing Notice sets out the following:

- (a) in relation to the issue of the new convertible notes to Yaniv and the Replacement
